Curate's Corner

By the time you read this I expect our villages will be illuminated with many coloured lights, Christmas trees will be decorated and presents will be being bought and wrapped.

These Christmas celebrations remember the birth of a baby. Jesus' birth occurred during a challenging time 2000 years ago. There was not a pandemic, but Jesus was born in Bethlehem in a land occupied by the Romans. The town was crowded, the guest rooms were filled. Mary and Joseph were forced to stay in a stable. It was there that Jesus was born. Jesus, God's Son, came to live on earth.

Two thousand years later we celebrate God coming to earth to live amongst humanity. Food and drink are central to our Christmas celebrations. Christmas is a festival celebrated by feasting. Personally, the feast will begin when we gather on Christmas Eve at 11.30pm at Newton Flotman church for the first Communion service of Christmas. Yes, you did read it correctly; after a break of a number of years we will be celebrating Holy Communion in Newton Flotman just before midnight on Christmas Eve. (There are also several other Christmas services in the coming weeks. All are welcome!)

I love this Christmas Eve service. Gathering in the hours of darkness to celebrate the birth of Jesus is a special, extraordinary thing to do. Celebrating Holy Communion together is the start of the feast. Bread and wine are shared in remembrance of Jesus's birth, his life, ministry, death and resurrection.

The next day the feast continues. After the strangeness of last year, I hope this year will be more normal. I look forward to a beautiful turkey with all the trimmings, mince pies and Christmas cake. Such a feast would be described by my Chinese friends as a banquet! I hope and pray that we will be joined by those we love around the table, as we celebrate Jesus' birth with food and drink.

Wishing you a happy and joyful Christmas

LONG STRATTON MEDICAL PARTNERSHIP

Where has the time flown? Every year as we approach winter and especially the Christmas period, the practice team finds it incredibly intriguing as to how the year has flown by - this year in particular with its ups and downs, the opportunities and challenges that we have faced and most importantly how patients would have viewed the experience they have had with us in this pandemic times.

General Practice has faced one of its most challenging and difficult periods in recent times especially with media negativity and harsh government demands. There are opportunities that we are given to reflect and improve our practice in every way and at the same time feedback to the CCG or NHS England when the targets set are beyond our capacity. These opportunities to improve patient care arise from personal feedback, practice feedback and various patient surveys done across the year for research purposes and by the NHS GP Patient survey. The GP Patient Survey assesses patients' experience of healthcare services provided by GP practices, including experience of access, making appointments, the quality of care received from healthcare professionals and patient health.

We do encourage you to continue to give us constructive criticism to help us improve services and positive feedback which is known to improve team morale.

I am adding the results of this year's GP Patient Survey results for Long Stratton Medical Partnership:

- 86% find it easy to get through to this GP practice by phone
Local (CCG) average: 71% National average: 68%
- 95% find the receptionists at this GP practice helpful

Wishing you all a very Happy Christmas and a Healthy New Year!

Dr Mini Nelson

will join us for the worship opportunities and activities that St Mary's has on offer.

We celebrate the Christingle at Eco church this month, and we have our Festive Morning Worship on the 19th, which will have a global feel as we incorporate Christmas traditions from around the world. We are hosting Midnight Communion (starting at 23.30pm) on 24th and a family service on Christmas Day. Our regular carol singing gathering on Kings Green takes place on Wednesday 22nd December at 6.30pm. If there is some turkey still to walk off the walking group are meeting on the 28th.

Thank you to all who continue to support Village Café, and those of you that have discovered us and the other activities that are available – Crafting for a Cause and the walking group; there are a few of you out there who have expressed an interest on the village fb page but have not yet made it down – why not pop along this month? The main aim of Village Café is to provide a regular meeting place, where refreshments are available with donations invited. Some weeks there will be an event or activity going on. (There is no Village Café on Christmas and New Year's day.).

Work on the window refurbishments will start in mid January, thanks to a successful faculty application by David Wharton on behalf of the PCC, and largely financed by a very generous donation from a parishioner, and to the Mercers charity who gave us permission for their grant, given initially for the reorganisation project 5 years ago, to be reallocated to this project.

We receive no central funding and are funded entirely through donations, fundraising and grants. **How to Give:** if you are able to make a donation towards the maintenance of the church building please do consider making a regular donation: sort code 22-62-53 a/c 70651028 label it 'Fabric'. To give regularly why not become a 'Friend of St Mary's'? Please contact Kirsten Remer – see contacts page.

To contribute to the running costs of the church and provision of clergy you can scan this QR code which will take you the Diocese of Norwich's giving page – please scroll to Newton

Well, as we approach Christmas and New Year in hope that we will be able to celebrate on a bigger scale than last year, we hope that you

Treasure Quest in Newton Flotman

Last month, Radio Norfolk's Treasure Quest featured one of its quest clues at St Mary's church, Newton Flotman. NFaST's Sharon Poyser met with Julie Reinger for the clue, which told of a previous Vicar of St Mary's, Rev Long, who stole topsoil and head stones from the church yard to create his patio at the Rectory (now 'The Old Rectory' on Church Road). The theft was discussed in Parliament by Sir Samuel Morton Peto, Treasurer of the Baptist Missionary and MP for Norwich 1847-5 The headstones are still visible today on the same patio; some are dated 1852, suggesting that the stones were stolen very shortly after being erected!

More details of this bizarre story can be found in the booklet 'St Mary the Virgin - Newton Flotman, A Church Story' produced by the NFaST Heritage Group, and is available in the church.

St Mary's Church Toilet twinning.

Thanks to everyone who contributed to our toilet twinning appeal. We have twinned the church toilet and the kitchen tap with villages in Uganda. Pop into the Village cafe in the church room on a Saturday morning and see the certificates.

Today 1 in 4 people around the world lack safe drinking water and 1.7 BILLION people don't have somewhere safe to go to the toilet. Thank you for helping to do something about that. We could do more...

News from Newton Flotman Parish Council

Development of land off Alan Avenue...

FW Properties held a pre-application consultation event on the afternoon/evening of 4th November to explain their proposal and to receive feedback. If you weren't able to get to the event, the display boards used are on their website - <https://www.fw-properties.com/current-projects/alan-avenue-newton-flotman/>.

It is anticipated that a planning application will be submitted before Christmas. At that stage the parish council and residents will have an opportunity to submit comments to South Norfolk Council who will make a decision on the application.

Bus Shelter

Many will have seen that the bus shelter at the bottom of St Mary's Close was in need of repair. One of the support posts failed and at the time of writing it has been agreed to have both posts replaced. I hope by the time you read this the work will have been completed but with anything like this it is not until work commences that you can be sure of the extent of the work required. Apologies to those who will have had to wait in the wind and rain for a bus whilst the shelter was temporarily closed and work carried out.

Find out more about what's going on

The parish council post up-to-date information including police updates, road closures, and items of general interest on their Facebook page – @NewtonFlotmanPC. Please like our page. If you don't do or have access to Facebook, all posts can also be found on the parish council website homepage – <https://www.newtonflotmanpc.co.uk/> along with lots more useful information about the Parish Council and the village generally. If there is any information that you would like us to circulate or any information that you think should be included on the website, please get in touch.

Next meeting

The meeting held on Tuesday 30th November at 7.30pm at the Village Centre was preceded, at 7pm, by the presentation of a Covid Commemoration Plaque by Dr Marian Prinsley, Deputy Lieutenant of Norfolk. Organised by Lady Dannatt, these plaques are being presented to all parishes in Norfolk to commemorate the work undertaken by communities in the year of the pandemic.

The next meeting will be on January 25th at 7.30pm in Newton Flotman Village Centre. All are welcome to attend.

Best Gingerbread for Christmas Decorations

Recipe

- 250g unsalted butter
- 200g dark muscovado sugar
- 7 tbsp golden syrup
- 600g plain flour
- 2 tsp bicarbonate of soda
- 4 tsp ground ginger

Method

Heat the oven to 200C/180C fan/gas 6. Melt the butter, sugar and syrup in a pan. Mix the flour, bicarbonate of soda and ground ginger into a large bowl, then stir in the butter mixture to make a stiff dough. If it won't quite come together, add a tiny splash of water.

Put a sheet of baking paper on a work surface and roll out the dough to the thickness of two £1 coins. Cut out shapes with cutters, cut around templates (for example for a gingerbread house) with a sharp knife. If you are making decorations to hang on your tree, use a straw to make holes at the top with a straw so you can thread ribbon through later.

Slide the gingerbread onto a greased baking sheet. Bake for 12 mins or until firm and just a little darker at the edges. Leave to cool for a few minutes to firm up. If you are using templates to make a gingerbread house, trim around the templates again to give clean, sharp edges. Leave to cool completely.

Decorate your gingerbread with icing, silver balls, and other sweets of your choice.

Autumn Concert in aid of Swainsthorpe Community Charity Trust Swainsthorpe Community Centre 9 th October 2021

Frank Lawlor LLCM
DipABSRM(performance):
Piano

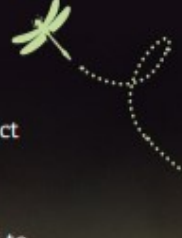

Swainsthorpe was treated to a thrilling performance by Frank of a varied selection of short piano pieces. They ranged from the familiar (Chopin's Waltz in A Minor, Hupfield's As Time Goes By, Mendelssohn's On Wings of Song) to the less well-known (Sibelius' Romance in D \flat Major, Linchke's Glow Worm). They appealed equally to the classical and modern music lover. Those present were entranced by the quality and passion of Frank's performance. There was the added bonus of a 'Face the Music' conundrum, and a moving encore of a Chopin

Nocturne rounded off the evening. Thank you, Frank, for giving us the opportunity to hear you play. It was a real privilege. The event raised £433 for the village charity.

Its focus will be on the fabric of the countryside, including hedgerows, ponds, copses, trees and meadows. We are looking for opportunities to work with local communities and landowners to identify and deliver relevant projects on the ground. We are also seeking volunteers to undertake surveys and practical conservation work, all aimed at improving habitat connections for local wildlife.
