Message from Inspector Andrew

Some further great work by officers on area this last month has resulted in a number of positive arrests, and ensured a number of vulnerable victims have been safeguarded. We have also been greatly assisted again this month by our colleagues from the Special Constabulary. Over the last 12 months we have had a number of student officers arriving on the area which has greatly assisted in increasing our staffing levels, and over the next few months we are expecting a number of new recruits to be posted to us. A number of these officers are coming to the end of their student phase of their career, and are proving themselves to be enthusiastic and committed officers, who now have the experience to ensure they are confident and competent officers serving the community well. I hope to meet and speak with a number of you at the Public Engagement Meeting on Wednesday 27th March at North Wymondham Community Centre. This will be an opportunity for you to also meet with your local Beat Managers and raise any issues with myself and my team.

What is happening in your area

Message from your Beat Manager Pc Chris Boden

February has been a positive month with increased high-visibility patrols, by myself and other officers, reducing anti-social behaviour and dealing with some drug possession offences. Several areas have been targeted to tackle speeding where many motorists have been issued words of advice or issued with Traffic Offence Reports. As always, I would urge you to report anything suspicious in your area to help us prevent and deter crime. You can do this online, via the phone or use Crimestoppers if you wish to remain anonymous. I look forward to seeing many of you at my next street surgery in Tesco, Hethersett on Saturday 16th March from 11am-1pm.
