Message from Inspector Andrew

It has been another busy month across the area, with officers having dealt with a number of vulnerability matters in particular. They have shown hard work and compassion, and I am extremely proud of how they have worked as a team.

We will shortly be welcoming some new student officers onto the area, who will spend a number of weeks with their tutor Constable before becoming eligible for independent patrols. I hope you may be able to join us at the next South Norfolk public meeting, which will be held on Wednesday 10 October in Cringleford. This will give you the chance to meet myself and the rest of the South Norfolk team, and discuss any matters you wish to raise.

What is happening in your area

Message from your Beat Manager Pc Chris Boden

I am aware that some areas across the community have had issues with anti-social behaviour, especially locations such as recreation grounds and playing fields, village halls and secluded areas. This is despite high visibility patrols by myself and colleagues to try and deter and prevent this type of behaviour from affecting the wider community. As you can appreciate, the police cannot be everywhere at the same time, but please support us by reporting any suspicious activity via the telephone or the Norfolk Police website.

As we look forward to September, please can I encourage you to continue to be vigilant in utilising the #9PMRoutine guidance to help keep your homes and belongings safe and deter criminals before a crime has even occurred. Remember to remove valuables, such as Sat Navs, from your vehicles and, once again, report anything that does not look right to you.
