Curate's Corner - Rev Coryn Stanforth

As you read this the Easter celebrations marking Jesus' death and resurrection will be over. Traditional Easter hymns will have been sung; the shops will no longer be full of hot cross buns. Easter egg hunts long concluded and a multitude of chocolate eggs consumed. Celebratory lunches will be over and Easter holidays ended.

On Easter Saturday I attended the Norwich Passion Play. It was a very modern Passion play; Jesus arrived at the Haymarket on a bicycle rather than a donkey and the actors all wore modern clothes. The action next moved to Millennium Plain outside The Forum. Fish and chips as well as bread and wine were consumed at the Last Supper. Jesus' trial by Pilate and Herod took place outside The Forum. The action then moved to the churchyard of St Peter Mancroft for the crucifixion. When Jesus' body was removed from the cross, it was taken to the tomb inside the church. The final part of the play included the palpable joy of the resurrection.

Being part of the audience was a powerful but unusual experience. The main characters were played by professional actors from Saltmine Theatre Company. However, there were also amateur members of the chorus who participated from within the crowd formed by the audience. As an audience member you became part of that crowd and engaged in the narrative. Both performances attracted hundreds of people. When the play moved into the church every seat in the enormous building was filled. Many more people stood at the back and others gathered outside.

The Passion Play ended with Jesus rising from the dead. This is not the end of the Easter story. The festival of Easter lasts until Ascension Day. During the forty days after his Ascension, Jesus met several times with his disciples and instructed them on how to carry out his teachings. On the fortieth day since his resurrection, Jesus took the disciples to the Mount of Olives, where they watched as he ascended into heaven.

Ascension Day is one of the earliest Christian festivals and has been celebrated since the year 68CE. This year Ascension Day is celebrated on 26th May. There are often special church services on Ascension Day and there are also various associated festivals such as the well dressings which take place across Derbyshire.

COVID 19 SPRING BOOSTER CAMPAIGN

Here at the Practice we are continuing with our involvement with the vaccination campaign to help with the delivery of the spring booster. This booster is being offered as a precaution to those at extremely high risk of complications caused by Covid 19.

You can book a booster with us if you are 75 years and over (including anyone who turns 75 by 30th June 2022).

At the time of writing this article (06.04.22) it is recommended that you should wait until around 6 months since your last dose of vaccine for maximum effectiveness.

If you are 12 years and over and Immunocompromised, you are eligible for the spring booster if there has been at least three months from your previous dose. However, as we will be delivering the Moderna vaccine those aged 12-18 will need to access the Pfizer vaccine through the mass vaccination centres.

If you are feeling unwell please wait until you have recovered to have your vaccine, please do not attend a vaccine appointment if you are waiting for the result of a Covid 19 test. If you contract Covid 19 please wait until at least 4 weeks before having your spring booster.

Against Breast Cancer

Ten huge boxes of bras are due to leave my lounge this week; these give much needed funds to Against Breast Cancer and are then shipped out to Africa.

African women wearing underwear are less likely to be sexually abused.

We will continue to collect bra's as it not only stops them going to landfill but has helped over 16,000 women in Africa stay safe.

It's OFFICIAL!

The toilet at St Peter's Church and Community Centre has been twinned with a refugee toilet block in Bangladesh and a latrine in the Democratic Republic of Congo. These were funded by everyone who attended International Women's Day in March, from ticket and raffle sales.

Without proper toilets and clean water, people are trapped in a vicious cycle:

- They're likely to become sick through sanitation-related diseases
- Illness means they cannot work or farm their land, so they earn less or grow less food
- Children often miss school, because they are sick or because they're busy collecting water
- Girls often drop out of school altogether when they start their periods if there are no toilets or changing rooms
- Parents have to pay for medicines or food, so they may fall into debt
- Women and girls risk being attacked or bitten by snakes as they go to the toilet in the open, especially if the culture dictates that they have to go out at night

Water and sanitation projects enable families to build a toilet, have access to clean water, and to learn about handwashing and other hygiene principles.

My thanks to everyone who made this possible

Debs Johnson

Christian Aid Week 15-21 May 2022

Christian Aid Week brings people together as one community helping those living in poverty to transform their own lives. **Christian Aid** was set up to help refugees after WWII and almost 80 years later it is continuing to support and equip communities to 'help them help themselves'. Their **emergency appeal for**

Ukraine is funding work with three partner organisations: Hungarian Interchurch Aid (HIA) in Ukraine and Hungary, the Lutheran World Federation (LWF) in Poland, and Swiss Church Aid (HEKS) in Ukraine, Hungary and Romania, to offer assistance to internally displaced peoples and to refugees. So far, HIA have reached 26,187 people with lifesaving aid, shelter, truckloads of food (345 metric tons), water, sanitation and health support, as well as offering vital information for refugees and internally displaced people. **This Christian Aid week** the focus is on working with agencies in communities 7,000 miles away, 'on the ground', **to provide water taps on small holdings** in countries such as Zimbabwe, **to provide seeds that thrive in drought, empowering women, in particular, to learn to grow food.** The aim is to counter the combined effects of the Covid-19 pandemic, conflict, rising food and fertiliser prices and drought, that have meant it is difficult for many, to provide for their families. To find out more about their work visit **caweek.org**

With every copy of May's Partnership delivered in Newton Flotman there is a donation envelope for Christian Aid. Please give what you can and 'gift aid' if you are a tax payer! You can drop your donation envelope off on or by 21st May at one of the drop off points .

Christian Aid Donation Envelope Drop Off Points: 23 Alan Avenue; 59 Alan Avenue; 60 Alan Avenue; 3 Flordon Road, Hazelwood, Flordon Road; 14 Joy Avenue; 24 St Mary's Close; The Rectory, Church Road and at the Church/Church Room when open! Join us on 14th May in the church room 10-12 for a traditional 'Coffee Morning' at Village Café – raffle, bits and bobs stall - 50% donations to go towards Christian Aid.

News from the Parish Council

From the Parish Council Meeting on 29 March 2022...

Councillors had met with officers from Norfolk County Council and Daniel Elmer, our County Councillor, to discuss ways to improve the access from Flordon Road onto the A140 and to make the series of junctions safer. The next meeting will involve Martin Wilby, Cabinet Member for Highways, so that the feasibility of financing a scheme can be discussed.

Councillors are also keen to improve the safety of Flordon Road for pedestrians and have asked Highways to look at the use of white lining as an achievable, low-cost option. It is hoped to persuade them to introduce 'slow' markings and to use white lining to indicate pedestrian areas or to introduce 'pinch-points' to slow down motorists.

The parish council will be working with the YMCA to introduce a youth club in the village. The group will meet on a Wednesday evening at the Village Centre, 6-8pm, starting in May. The youth club will be for children aged 8-16years and initially will be free of charge to those attending.

It is hoped to establish a group interested in working up a project and applying for funding for a skate-park. A meeting will be held soon, if you are interested in being involved, please contact us (details below).

Could you be who the Parish Council is looking for?

The Parish Council currently has vacancies. Do you have an interest in your local area, would you like to help make improvements or would you like to have your say on how the village evolves? ST MARY'S CHURCH
Newton Flotman

Please come along to our Annual Parish Church meeting on Tuesday 10th May 7.30pm Church Room. We are looking forward to hosting the beacon on 2nd June,

the first day of the Platinum Jubilee celebrations as well as the special Platinum Village Café and exhibition on 4th June.

Partnership is funded through advertising, published by St Mary's for the villages of Newton Flotman and Swainsthorpe and delivered by volunteers. Our printers inform us that paper prices have risen by £500 per tonne over the past few months, this will inevitably increase our production costs. We have also had eye watering estimates through for more maintenance work on the roof of our medieval building, so please if you can consider a regular donation to the upkeep of your village church.

We receive no central funding and are funded entirely through donations, fundraising and grants.

How to Give If you are able to make a donation towards the maintenance of the church building please do consider making a regular donation: to Newton Flotman Parish Church Council sort code 20-62-53 a/c 70651028 it is classed as a business account. Please reference it 'Fabric'. To give regularly why not become a 'Friend of St Mary's'- contact Kirsten Remer – see contacts page. To contribute to the running costs of the church and provision of clergy please go to **DofN.org/donate** to donate to our Parish Share. If you wish to leave a legacy please visit for further details:

What To Do In The Garden This Month - RHS

Summer's on its way! As bulbs fade and herbaceous borders grow in leaps and bounds, it is now clear that summer is approaching. Sowing and planting out bedding can begin, depending on regional weather variations, and you can take softwood cuttings. It's also time to get back into the lawn mowing regime, as the lawn will be loving the warmer temperatures this month brings

1. Watch out for late frosts. Protect tender plants
2. Earth up potatoes, and promptly plant any still remaining
3. Plant out summer bedding at the end of the month (except in cold areas)
4. Water early and late to get the most out of your water, recycle water when possible
5. Regularly hoe off weeds
6. Open greenhouse vents and doors on warm days
7. Mow lawns weekly – but consider leaving some areas uncut for wildlife
8. Check for nesting birds before clipping hedges
9. Lift and divide overcrowded clumps of daffodils and other spring-flowering bulbs
10. Watch out for viburnum beetle and lily beetle grubs
