Message from Inspector Andrew

By now you may well have been busy with the planning and preparations for Christmas, although I'm sure you have plenty more presents to buy. When you are out shopping, please take care not to leave presents easily visible in your vehicles if leaving them un-attended. This also goes for when leaving your house, try not to leave too many presents in full view of windows or in insecure sheds or garages.

As the temperatures drop further please ensure your vehicles are fully prepared for the conditions, and consider carrying spare warm clothing and possibly a blanket in your vehicle in case of breakdown. Always ensure your mobile phone is fully charged should you need it in an emergency to prevent you being stranded during inclement weather and freezing temperatures.

I would like to take this opportunity to wish you all a very Merry Christmas and a Happy New Year and hope you get to spend some time over the festive period with friends and family.

What is happening in your area

Message from your Beat Manager Pc Chris Boden

November has been a busy month with an increase in anti-social behaviour in some areas and a number of thefts in the lead up to Christmas. I am targeting my patrols in these specific areas to try and locate any offenders and prevent further occurrences of mindless damage and other offences. As always, I encourage your support in reporting any suspicious persons or vehicles and being vigilant in terms of your own security.

On a more positive note, I am pleased to inform you that a recent multi-agency meeting at South Norfolk council offices was very productive, and I am hoping to work with many of these specialist departments and agencies to provide you with even more support services as necessary.

My next Street Surgery has been publicised locally and I hope to meet many of you at the Co-Op in Mulbarton on the morning of Saturday 15th to discuss the issues that are affecting you. Your views are important and help to shape the future of policing in your neighbourhoods.
