## Message from Inspector Dave Burke

The Beat Manager team have been working hard across the district, supporting rural communities and responding to neighbourhood priorities. The team held a meeting at Poringland Community Centre on September 26th and it was great to hear positive feedback from the local community.

Local intelligence is invaluable to us, so if you have any information please report it via your local neighbourhood officer, 101, or Crimestoppers.

## Message from your Engagement Officer

As Halloween and Bonfire Night approaches please remember that knocking on doors during the hours of darkness can be intimidating for some. We have door posters for those who do not want to be disturbed by trick or treaters. If you would like a poster please contact me or go to our website [www.norfolk.police.uk](http://www.norfolk.police.uk)

If you have children who will be out trick or treating make sure they know to only go to houses with lights on, with a pumpkin outside, to never go off alone and to stay in well-lit areas.

When it comes to fireworks we would like to remind you that it is an offence to set off fireworks between 11pm and 7am. Be safe, respectful and have fun.

## What is happening in your area

### Message from your Beat Manager PC Chris Boden

I have continued to meet many of you throughout community events and have been pleased to tackle issues that have been reported to me. I have carried out several speed enforcement patrols across the area, one of which included the whole South Norfolk Beat Team. These have been advertised on Twitter and I was pleased with the results, as were many local people that took the time to stop and show their gratitude. As a result of reports of anti-social behaviour on parks and recreation grounds across Hethersett, Mulbarton and Cringleford, myself and The South Norfolk Beat Team carried out targeted patrols of these areas with some very positive results. Persons were searched, drugs seized and one moped rider was issued with a warning letter which means, if he were to continue, the police could seize his vehicle. This has all been posted on Twitter and Facebook so hopefully some of you may already be aware. A busy but productive month.
