August 2023

Dear Resident

Re: Flordon Road, Speed Reduction

I am writing to inform you that the Parish Council is looking into ways that speed can be reduced along Flordon Road to make it a safer place for users. Market research was undertaken by the Parish Council in summer 2021 and this was an area of concern of the residents of Newton Flotman.

The Parish Council have been in discussions with Norfolk County Council on different ways this can be effectively done. The most suitable proposal is positioning “gateways” at the North end of Flordon Road and adding hatching along the road on the first bend – please see diagrams attached.

As part of the application process, it is essential that residents along this part of Flordon Road are consulted. The Parish Council would like to hear your opinions on these proposals. This will be discussed at the next Parish Council meeting on Tuesday 26th September, 7:30pm at the Village Centre and we invite you to attend. If you are unable to attend the meeting please send your comments to clerk@newtonflotmanpc.co.uk

The Parish Council look forward to hearing from you

Maria Hutson

Clerk to Newton Flotman Parish Council
